PARAGRAPH
TELEGRAM from the Governor of Kenya to the Secretary
of State for the Colonies.

Dated 3rd October

(Received Colonial Office 6.25p.m., 3rd October, 1921)

October 3rd. Indian policy your cypher telegram
of 1st October received and understood. Your
confidential despatch of 26th August and September 8th
find it most inadvisable until after I have interview
with leading Europeans to publish that one Indian will
be appointed to the Executive Council and four to
Legislative Council. Whole European community are
pledged to uphold Milner policy and in accordance with
instructions in your telegram of 20th August and your
despatch No.1356 of 5th September have been informed
that you would not make any decision until I have
discussed matter with them. To make nominations above
mentioned would be a new decision and would be highly
resented if done before I have discussed matter and
put forward other proposals. I am meeting Europeans on
Friday and discussing matters with Indians also this
week. Meanwhile I will only make following statement
on October 10th at opening of Legislative Council
"No hasty decision will be taken and nothing will be
done until further discussion locally". I will keep
you informed of the result of conference.

NORTHEY.
