Whately,

Re: no answer being the A.O. received I suppose in an  
apex letter. He does not appear to have read any form or  
custody of civil officials. I however, have been treated as  
civil official as regards pay, though the actual amount  
paid was the same as that of a civil officer (as paid for  
by P.M. 66096/19). I expect that P.M. should be authorized  
to pay at 3750 years as from 1779 - 1889 not authorized  
at 1200 as authorized on 66096/19.

Leave: I don't know till how long amount 22 days. It seems  
now that this is a case that should not be granted except (if  
granted under A.O. 24) 1929 (as 918/200 (small letters))  
but altogether it would seem advisable to avoid that  
S.C. as far as P.M. local process is concerned, if possible  
I expect that he, post part of his time as a military and post

Through:- The Staff Captain E.A.B.P. (his AG/Leave/3/455)

Sir,

Your No: 3 29/21/12 dated 21-1-1920Lieutenant A. J. Webster.

The following facts relating to the appointment of Lieutenant Webster to the Military Audit Department will furnish the material you require for replying to the 3/4 despatch 1285 of 27-11-1919.

Appointment and pay

Discharged while serving as Sergeant in Army Service Corps and appointed to the Military Audit with relative precedence as 2nd Lieutenant on 23rd November 1917 (General Routine Order 195 of 26-11-1917)

Pay.

Major Venables, Assistant Adjutant General ruled that Lieutenant Webster should be paid at the same rate as Lieutenant the Unattached List, West African Protectorate Areas, namely 500 a year. The rates for officers of the Unattached List were in 1919 raised and the General Officer Commanding sanctioned the recommendation that the increased rates should also apply to those officers of the Military Audit holding relative precedence whose pay had been fixed at similar rates.

The actual payment of this increase in salary was not made till after Lieutenant Webster had left the country, he having previously given directions as to its disposal. For this reason

Last Pay Certificate should have been supplemented by a later
