Your letter B. 430/5 of 26th July

Gentlemen,

We have delayed replying to this letter in order that we might have the advantage of a consultation with Mr. Couper, the Manager of the Uganda Railway, as to the alignment shown on the plan returned herewith, and after going into the matter with him as thoroughly as could be done with the information at our disposal, we have no hesitation in saying that the alignment chosen is the best - in fact, the only practicable one.

We have also discussed the matter fully with Messrs Coode, Matthews, Fitzmaurice & Wilson.

Yours etc.

RENDEL PALMER & TRITTON
