My Lord,

7
I have the honour to acknowledge the correspondence terminating with the papers of the despatch No. 1694 of the 20th October, 1923, and to have the honour to transmit for Your Grace's perusal ten copies of the second supplementary Estimate for 1923 as passed by Legislative Council on the 21st October last, together with the Treasurer's Statement of the Colony's financial position.

2. An explanatory memorandum of the various services, for which provision is included forms an appendix to these Estimates, and marginal references to previous correspondence have been inserted in the case of items, which have formed the subject of special report to Your Grace.

3. I shall be grateful if telegraphic notification of Your Grace's approval of these Estimates may be sent. It is to be observed that the larger items represent the final adjustments with the War Office and the Admiralty.

I have the honour to be,
Your Grace's most devoted and
loyal servant,
