- HEAD 2.** - State the description of Allowance for which the Applicant is recommended, viz., Superannuation, or Superannuation, Compassionate Allowance, or Gratuity, and its amount. In the case of Pension, the description in addition to their Pensions in respect of Professional or other special qualifications, should be stated, and a reference should be given to the authority under which the claim is made.
- HEAD 3.** - If the service has been interrupted by one or more breaks, the word "broken" should be added before or after the number of years and months, and the causes, dates, and circumstances of the break or breaks should be stated under heading 4.
- HEAD 4.** - If the Pension retiring has been in receipt of the same Salary, or in the class from which he retired, the 36 months immediately before the date of his retirement, the actual annual rate of Salary or Wages at that date should be inserted, preceded by the word "actual". In other cases the average annual amount of Salary or Wages for the 36 months next preceding the date of retirement should be inserted, preceded by the word "average," but if the whole period of service is less than three years, then the average for the whole period of service should be inserted.
- HEAD 5.** - The average amount should be ascertained on the average Annual Value, for the 36 months immediately preceding retirement of each Emolument (exclusive of salary or wages) which is claimed to be included in the calculation of the Pension or Gratuity.

It will be the duty of the Colonial Government concerned to satisfy themselves of the accuracy of such statements before forwarding them to the Colonial Office. In the case of Officers receiving Fixed Salaries and Fees, the Fees will not in ordinary circumstances be allowed to count for Pension purposes to the extent of more than one-quarter of the Salaries, and Fees will not in any case be allowed to count for Pension purposes during any period in which the whole time of the Officer receiving them was not given to the Public Service.
- HEAD 8.** - In cases of infirmity, if the applicant is below the ordinary age for retirement, a Medical Certificate is to be furnished showing that he is disqualified by infirmity of mind or body for discharging the duties of his station, and that such infirmity is likely to be permanent.

- HEAD 13.** - If the Applicant is liable to any deduction from his service under Clause 102 of the Colonial Regulations, the facts should be fully stated.
- HEAD 14.** - The length of service and other particulars of the computation are to be given. When an average of Salary, &c., is taken, the mode of calculation is to be explained, whether by months or by years.
