Thank the honours to make the rest of

your telegram as sig of the 22 April in
following against the return of ex-convict books

~~of books given~~
~~conveying that I was aware that~~

(1) I was aware that

Ex-convict books had a most

unsatisfactory record, but ~~that~~ I had

no alternative but to agree to his returning to

the fact as he wished to do this, in view

of the 2 sub-section (2) of the Colonial Prisons Removal Act

1890 which reads as follows: - "..... a prisoner when discharged

at the expiration of his sentence shall be entitled to be sent
free of cost to the British possession from which he was removed."

I was advised that, as this Act has been applied to
the fact, as if it were a British possession, a clearly contemplated that

removed prisoner may be returned to a fact, any provision in any local
ordinance under which ~~the same~~ might be treated as a prohibited immigrant

would pro could be void in reference to an Act of Parliament relating to
his Majesty's subjects in the Provinces, & that in consequence

ex-convict books

no one can prevent

pro

could not be regarded as

within the meaning of the Prosl

or referred admission to the Prosl. as such
