Dated 21st July

(Received Colonial Office 10.45 a.m. 23rd July, 1930)

July 21st. No. 390 official salaries estimates one
line vote for increased salaries passed by Legislative
Council Lord Dalglish only dissentient. Council appointing
select Committee to report as to necessary further increases
some salaries which strong feeling still inadequate cost of
living having risen since Civil Service Commissioners
Lascelles reported and even since I went home last year.
Unofficial members of Legislative Council passed unanimously
resolution condemning 50 per cent local allowance and urging
fixed sterling salaries whether here or on leave in order
to standardize official and non-official wages. Did not
allow official vote on this resolution as officials
pecuniarily interested. Explained that I feared that you
could not reconsider owing to the fact that you must fix
salaries for all East Africa Protectorates on parallel
scales despatch follows.
