PARAPHRASE TELEGRAM from the Governor of Kenya to the
Secretary of State for the Colonies.

(Received Colonial Office 7.0 a.m. 10th August, 1922.)

Your personal cable telegram July 30th. I have
interviewed to-day separately and privately both leading
Europeans and Indians explaining personally to them
His Lordship's wishes and (criticism) on the race
question. I particularly appealed to the Europeans at
a session of conference of associations representing all
communities to cause (expressions) of anti-Indian feeling.
My appeal was received very well.

NONCHEY.

(his thanks has been given to be registered)
