The W.O. are interested in so far as they are, as matters now stand, response 66 for a part of the T.A. Council changes etc. for which these memos come. We did not consult W.O. in 9005/19 and I don't see the absolute necessity for doing it now. If this is considered necessary W.O. should have a copy of the Ordinance in 9005/19

Our second attempt it seems
best to inf. 400 at once and
send them 1000 of the proposed tel. to Government

a draft for consideration. They may
have objection to the cost of the

My Lord,

I have the honour to transmit, for Your Lordship's consideration, a copy of a memorandum which has been addressed to the Treasurer by the Chief Paymaster, East Africa Pay Corps, on the subject of the enforcement of the provisions of Section 13 in "The Military Labour Corps Distribution of Pay and Personal Property Ordinance" No. XXXV of the year 1918.

2. I am aware from Your Lordship's despatch No. 136 of the 20th February, 1919, that His Majesty the King was not advised to exercise his power of disallowance with reference to the measure in question, but as attention has been drawn to the necessity for definite sanction from the Army Council and the Lords Commissioners of the Treasury to the disposal of these funds, I consider it advisable

Reference your No. 622/1/2 dated 5th August 1920,
regarding copy of a memo No. 812/4.50/2 dated 28/7/20 from
the Chief Native Commissioner.

1. I have no authority to transfer the undernoted amounts
to the Chairman of the Central Board, and until I receive a
copy of the authority from the Army Council in this respect,
the balances in question must stand to the credit of Army

2. All unclaimed balances, after a certain period, should
revert to the British public in accordance with Army
regulations.

3. I have therefore to request that the matter may be
referred to the Secretary of State for the Colonies for the
