Sir,

With reference to your telegram of the 22nd April, I have the honour to inform you that, subject to your approval, I have appointed Mr. Joshua Mortimer to fill one of the posts for Stenographers in the Agricultural Department at the salary provided in the current year's estimates, viz: £130 by £10 to £200 plus £40 house allowance with effect from April 1st 1912. He has been working in the Department as Relief Clerk since December last and has given complete satisfaction.

2. There is no other local candidate who could be appointed to the other post of Stenographer on the same salary and I would therefore ask that the Crown Agents may be instructed to engage a suitable man whose qualifications as Stenographer and Typist should be the same as those of the recently appointed clerks in the Land Office.

3.

THE RIGHT HONOURABLE  
LEWIS HARCOURT, P.C., M.P.,  
SECRETARY OF STATE FOR THE COLONIES,  
DOWNING STREET, LONDON, S.W.

3. As regards the two Agricultural Instructors I fear it is also impossible to engage any one locally and I recommend that the Director of Agriculture Mr. Macdonald, who is now on leave, be consulted as to their selection.

I have the honour to be,

Sir,

Your humble, obedient servant,
