AUDIT OF ZANZIBAR ACCOUNTS

In copy of letter from the Auditor from which it appears that the cost of visiting Zanzibar will not as heretofore be defrayed by Zanzibar. Submit that this will bring the contribution received below proper figure and that there will probably be an excess on the Audit Vote if E.A.P. funds are to bear the expenses referred to.

For your convenience please find my copy of S. African Dept. letter which has been placed before the advice of Mr. Justice and the late definite 12<sup>th</sup> inst.) I have ceded upon him to furnish me with detailed information as to the expenses incurred in S. Africa and Zanzibar respectively in account of the Zanzibar audit. I would request holding him over until I am in a position to deal with his question in the light of the further information I have asked for. If you agree

E. African Dept:

I have now received the further information called for and after full consideration of the details which have been furnished to me, I am of opinion that the full amount of £450, as provided for in the East Africa Protectorate Estimates for the current year, without any deduction whatsoever, should be paid by Zanzibar as a reimbursement to the East Africa Protectorate towards the cost of maintaining the necessary staff in the Protectorate in order to make it possible for the Auditor to undertake a satisfactory examination of the accounts of the Government of Zanzibar, any local expenses such as cost of passage to and from the Protectorate, local travelling, subsistence, gaway and office boys etc. being met directly from Zanzibar funds.

In the future it is agreed that the amount of £450 will be annually paid to the Auditor.

which he has agreed to  
the audit of the accounts.

Re-imbursement to the E.A. Proto:

Share of Home Expenditure, payable to  
the Crown Agents for credit of the  
E.A. Dept: Accts.

I append a detailed statement showing the items making up this amount and suggest that a copy of this be communicated to the Foreign Office. It is also suggested at the same time, that, in the current year, the total amount of £450 may be paid to the East Africa Protectorate.

No. 467

Sir,

I have the honour to enclose a copy of a letter from the Auditor from which it would appear that the local expenses in connection with the visits to Zanzibar of officers of the Audit Department will not as heretofore be defrayed by the Zanzibar Government.

2. I would submit that this reduction bears the contribution which we receive below the figure at which, having regard to the proportion of work done, it ought to stand, and that there will probably be an excess on the Audit Department Vote if the expenses referred to are to be a charge on East African Funds.

I have the honour to be,

Sir,

Your humble, obedient servant,

ACTING GOVERNOR.

THE RIGHT HONOURABLE

LEWIS HARcourt, P.C., M.P.,

SECRETARY OF STATE FOR THE COLONIES,

Nairobi, 1st June 1912.

Sir,

46

I have the honor to inform you that when I was in Zanzibar in Nov last, the Financial Member of Council sent me an extract from a letter recently received from the Secretary of State, to the effect that the sum of £450 provided in the 1912 estimates, as a reimbursement to the East African Government for the expenses of Audit in Zanzibar, was to cover all charges with the exception of house rent. Last year a sum of £700 was allowed for, viz. £450 as a sum to be paid to the East Africa Protectorate, and £250 for local expenses, such as cost of passages to and from the East Africa Protectorate, Office and Rickshaw boys local travelling on the Zanzibar and Pemba Islands, and travelling allowances. The Financial Member of Council informs me that he will treat all such charges now, as an advance to the East Africa Protectorate, which will be set off by audit so as to have £250 to meet the cost.

Very truly yours,  
A. J. Parnell.

of the dock of  
the  
Government.

2. Mr. Harcourt has  
referred the matter to the  
S.C.A. who states  
that after full enquiry  
of the detailed info. with  
which he has been supplied,  
he is of opinion that  
the full amount of £2000,  
as provided for in the Est.  
~~Estimate of~~ current  
provisional V.W., without  
any deduction whatever,  
should be paid by Langitan  
as a recompence to the  
Est. towards the cost of  
maintaining the necessary  
staff in the P.L. Commissariat  
and the  
dock.

In this satisfactory  
view of the case  
it is the view of Langitan that  
no great expense  
will be incurred  
in sending a party to  
Langitan to ascertain  
the cost of  
expenses to a party  
for local travelling,  
subsistence, pay and  
the dogs, etc. It  
not directly from  
Langitan funds.

In this opinion Mr. H.  
concurs. He  
wishes that Lai & Grey  
will ~~so~~ ~~as far as possible~~  
~~adopt the same~~  
view.

3. With regard to  
future requirements,  
it is evident that  
it is difficult to make out

that the total cost of  
the ~~total~~ of accounts  
Langbar, and in  
the financial year  
1913-14 will be £ 872.

~~a detailed statement~~
