Uganda Fly. 2106 & 2107.

3rd. December, 1912.

The Specifications for the electric lighting materials are in hand, and we will send them to you in the course of a few days.

With regard to the Cranes it has been necessary to refer some technical matters to the crane makers, and it may be a few days before we can obtain the necessary information to enable us to deal with this matter. No time will be lost as soon as we can act.
