TREASURY CHAMBERS.

17<sup>th</sup> December 1912.

Sir,

*b.a.*  
*38463*

The Lords Commissioners of His Majesty's Treasury have had before Them Mr. Read's letter of the 7th instant (38463/1912) transmitting a copy of a letter from the Crown Agents for the Colonies relating to the new five cent pieces required for the East Africa and Uganda Protectorates.

In reply I am to request you to inform the Secretary of State for the Colonies that My Lords concur in the proposal that the order be placed with the Birmingham Mint at an inclusive charge (for metal and manufacture) of 25<sup>s</sup>/- per 1000 pieces.

I am,

Sir,

Your obedient Servant,

The Under Secretary of State,  
Colonial Office.

Mr. Bottomley.

Nickel Bronze and Aluminium Coinage for  
British East Africa and Uganda, 10 cents  
and 1 &  $\frac{1}{2}$  cent.

-----

I understand that one of these denominations is for circulation in Uganda only. Will you please say which?, and if the packages containing that denomination of coin are to be addressed other than to Kilindini, the port to which the other coin is being addressed.

(Sd) J.A.Blackwood.

6/3.

Mr. Bowring.

Would you say what distinction should be made between the address of the cases containing the Uganda  $\frac{1}{2}$  cent pieces and that of the other cases?

W.C.E.

7/3.

Mr. Bottomley.

It would be more convenient for all the cases of coins to be addressed to the Treasurer, Mombasa, who would make the necessary arrangements for supplying Uganda.

J.A.B.

7/3.

Mr. Blackwood.

Please see.
