Increment.

See msg/17394/9 Cal. which repeats his statement that increment dates from 1 April, & not from the date of his appointment. ~~He asks~~ He asks for the increased rate (i.e. £200 instead of £265) only from 28 April, the day on which he left Africa.

We have no copy of his last pay certificate, but the CA, who have a copy, confirm the statement that nothing is said about increment. It may well be that in the Pth, they did not think Mr. Hammer worth an increment.

30th. June 1910.

Sir,

I have the honour to acknowledge the receipt of your letter of the 24th. instant and to tender you my hearty thanks for the extension of leave on half-pay which has been granted me. Unfortunately it does not cover the whole of the period for which, in the opinion of my medical advisers, I am incapacitated from business as I was only discharged from hospital on the 27th. instant with orders to remain quietly at home for a month.

The Hon. the Treasurer of the East African Protectorate omitted to credit me in my April pay-sheet with the increment which accrued due on the 1st. of that month and I trust I am in order in requesting you to be good enough to obtain payment thereof and to authorise the Crown Agents to calculate my pay at the advanced rate from the 28th. April.

I deeply regret that my application for further employment should be viewed in the manner expressed in para. 3 of your letter, and earnestly request that the matter may be reconsidered.

I have the honour to be,

Sir,

Your most obedient Servant

To the  
Under Secretary of State  
for the Colonies

Downing Street  
London.
