The Under Secretary of State,  
Colonial Office, Whitehall Gardens, S.W.

Sir,

From this morning's paper we see that Sir Perey Girouard has resigned and that Mr Henry Conway Belfield has been appointed Governor of the East Africa Protectorate. We should at once like to say that we shall be very pleased to place ourselves entirely at Mr Belfield's disposition, should he be coming to this country before taking up his new appointment, and we shall be only too ready to give him any explanation with regard to our Company which he might wish to obtain, and we will gladly do our best to thoroughly post him on all the details which may be of interest to him.

We further venture to respectfully submit that an opportunity should be given us and our Consulting Engineers to fully discuss all matters referring to the construction of the Magadi Branch Railway with the future General Manager of the Uganda Railway, should he pass through England before going out to the Protectorate.

We have the honour to be,

Sir,

Your obedient Servants,

FOR AND ON BEHALF OF
