Sir,

13
21069

I have the honour to acknowledge the receipt of your despatch No. 489 of the 26th of June on the subject of a grant of land to Mr. and Mrs. Sandbach Baker.

2. It is estimated that the "small parcel of land" referred to in Mr. Sandbach Baker's letter of the 4th of June comprises about 50 square miles or some 32,000 acres. I have been unable to discover any arguments in the letters which he has addressed to the Colonial Office which would justify a special allotment and in the absence of a definite undertaking to initiate work of a new and valuable nature I am not prepared to entertain any such application and consider that Mr. Sandbach Baker should bid for the land he desires at auction in the same way as other applicants.

3. I would suggest that Mr. Sandbach Baker be requested to address any further correspondence on the subject direct to the Land Office, as

communication
