W. Brantley, Secy. G. P. Office

See p. 4 of Revised Est. was discussed in deap. £160 is there provided, but no increment in cap exps the G. P. gives the scale as "K200" - "K300" (£160 p.a. - £200 p.a.). Surely this is excessive when compared with the ordinary European Ck's Salary in East (£130 - £200). The Governor's own Chief Ck. & Stenographer is only on the ordinary scale. Lho not

Account of the railway clerks  
and men

not understood why Railway  
clerks & men are always  
and differently treated from  
the other (European) subordinates  
officials. But in any case  
Rs 200 - the max of an  
Accounts (Ch. U. 1st grade) - might  
suffice to suffice.

Subs we can approve the  
Rs 200 - Rs 200 kindly, or  
approve Rs 200 - Rs 200  
or ask the Gov. why Rs 150 -  
Rs 200 would do. I am  
inclined to feel asking  
why Rs 150 - Rs 200 will  
not suffice calling attention  
to the scale provided for the  
Governor's Ch. U. 1st grade  
deed

Dr. G. P. Datta  
2/18/13  
The railway clerks gave a lot  
of trouble to Secy - January, and finally  
agreed to Rs. 200 - Rs. 250 on the  
Ch. U. representation that I would be

difficult to get available even at  
Rs. 200 fixed. The Rs 150 - Rs 200 scale  
had previously been suggested.

M. sec. on despatch on 3855/12. No 307  
water has been taken of it.

? Authorise Ch. U. to get the men on  
the 3855 rate (Rs 200 - Rs 250) &  
tell Gov. that in the absence of the  
definite info asked for on that matter  
the S. D. has not felt justified  
in authorising a higher fixed salary  
Post out the 1st scale in Rs 150 -  
not drawn by clerks, with  
appearance of similar qualifications,  
in other depts. and ask for an  
explanation of the necessity for  
offering more for the railway depts  
local
