to abandon explicitly the  
claim for pecuniary compensation.

It is possible <sup>by</sup> that an occasional  
warning to the Abyssinian Gov<sup>t</sup>

assist in inducing him to agree to the  
indication of the desirability of  
rectification of  
establishing the frontier.

4. With regard to the suggestion  
contained in the last para. of your  
letter, I am to state that it  
is impossible with the present  
distribution of troops in the Protectorate  
to give effect to a threat to occupy  
Kudduduma.

Have the honour to  
ack. the recd. of your  
tel. no. 202 of the 6<sup>th</sup> of  
September\* and to confirm the  
telegram which I sent you  
in reply on the 8<sup>th</sup> of  
September†, approving of  
your proposal to offer  
the remaining thirteen  
farms, not disposed of on  
the 25<sup>th</sup> of  
August by allotment  
or sale by auction to  
applicants other than  
holders of unexpired  
leases.

\* No. 30974  
† No. 30974

2. I enclose from the  
East Gazette of the  
1<sup>st</sup> of July that the

extension of permission  
to apply for the same  
in question to persons  
holding land on lease

for the Govt was  
granted when the  
farm was sold at the  
sale of the 15<sup>th</sup> of May  
and first offered for  
allotment. The extension

(for which my approval  
has not obtained)

was given to the  
to continue on two grounds,  
first because the Governor  
proposed to offer the unsold  
farms again was stated  
in his letter No: 99 of the 22<sup>nd</sup>

of May to be made in the  
interest of newly arrived  
persons who had had no

time to inspect the farms before  
the first sale,  
and secondly because

the notice of the alteration  
of the conditions was too  
short to enable holders  
of Govt land who were  
in the country at the time  
to avail themselves of

the opportunity of acquiring  
land. The ~~rest~~ original notice  
given in the "Gazette" of  
the 15<sup>th</sup> of February excluded  
bidding  
them from purchase and  
cannot be regarded as  
sufficient restriction of  
any allotment <sup>made</sup> under  
different conditions

3. I recognize, however,  
the importance of securing  
as compact a settlement  
as possible in the newly  
opened Tivas Ngona  
district and I have therefore  
not considered it necessary  
to raise any objection to the  
new conditions

removal of the restriction,  
not ~~advisable~~ and I  
am glad to learn from  
your subsequent letter

of the 9<sup>th</sup> of Feb<sup>r</sup> that  
it has not had the  
effect of excluding the  
newly arrived  
applicants for purchase

x No 31506

I shall no doubt receive  
in due course a detailed  
report on the results of  
both the recent and the  
coming sale.

I shall also be glad  
to be informed whether it  
is now proposed to make  
any arrangements for the  
postponement of development  
conditions in respect of Trans-  
Ngora farms pending the  
construction of a bridge. As  
I stated in my confidential  
letter of the 23<sup>rd</sup> of May, I should  
have had no objection to  
this proposal in connection  
with the Moy sale if due  
notice of it had been given,  
but it would appear from  
the fact that the proposal  
has not been adopted
