he will have served not over 16  
months since he last gave to

James and I would stick to that  
but in view of the fact that the head

I do not understand what Sir  
P. forward means by providing for the  
Chair in the Estimates, unless he  
means Supplementary Estimates

I do not gather that Sir P. forward  
desires to take any action step  
at present in dissuading the Institution
