Dear Sir

It gives us pleasure in this letter to record our thanks to your Company from 1940 to 1944 with particular reference to the work you have done in connection with the survey of the goldfield.

During this time you have carried out surveys for the delineation of the boundaries of the goldfield and the concessions we purchased in West Australia. You have also carried out topographic surveys, including base line measurements, the delineation of the boundaries of the goldfield, the position of the various mines in the goldfield and the surveys you carried out in connection with the mining operations.

Our Manager, Mr. D. J. Clegg, Surveyor, has worked to the best of his ability and has done excellent work.

Yours faithfully,

Signed by Mr. D. J. Clegg

reference to your letter of the 25th inst
and to my interview of this morning, I enclose
a letter addressed to me by the Laboratories
Ltd. with copy in duplicate.

In reference to your suggestion that I should renew
my application as Junior Staff Surveyor I have,
after careful consideration, reluctantly
concluded that the salary attached to the post
is insufficient to enable me to meet my expenses.
My pecuniary should be for a Surveyor either in
the Ordnance or Engineers, I trust you will
be able to advise me in this respect. I am
writing in an application to the Surveyors
Co. for the position of Surveyor
provided you will be kind enough to
advise me.

I am

Sdr.

Your obedient servant

H.W. Pepper

already on your property
and you to take up the whole field, further
that the Peppercorn will do for you
the best and when you have
the crop you will be well satisfied.

The ground is very good
and you had a large
amount of rain last year.

I am sending you
a sample of seed
of the best quality
you can get.

It is a good
kind of seed
and you will
have a good
crop.

I am sending you
a sample of seed
of the best quality
you can get.
