Sir,

I have the honour to confirm my telegram of the 29th of December which read as follows:-

"Young applies for vacant judgeship."

I desire to explain that this telegram was sent at Mr Young's request and at his personal expense.

2. I have now discussed the subject of the vacancy in the judiciary with the Chief Justice and I submit the following proposals for your consideration.

3. I recommend that the post of First Puisne Judge be offered to Mr Justice Bonham Carter, Second Puisne Judge. I consider that this step is one which, in view of his length of service, he may properly expect.

4. I recommend that the vacancy thus created of Second Puisne Judge be offered to Mr E.B. Logan, Town Magistrate. Mr Logan has now served in his present capacity for over eight years, during which time he has shown himself

THE RIGHT HONOURABLE

LEWIS HARGREAVES, B.C., M.P.,

SECRETARY OF STATE FOR THE COLONIES,

DOWNING STREET, LONDON, S.W.

himself to be a hard worker, painstaking and scrupulously conscientious with his cases, and a generally sound lawyer. I consider that he is fully entitled to promotion and that he would prove a capable Judge.

3197 In this connection I would refer you to my Confidential Report on the 9th of April, 1918, in which the Chief Justice strongly recommended his promotion.

I am, Sir, very respectfully,

Sir,

Your humble, obedient servant,

Arthur D. ...
