No. 24 My telegram 14th January No. 11
after consultation with Uganda have decided that it is
imperative that operations against Turkana should be
commenced at once. Owing to situation in North-
East of Protectorate I can only provide half company. .
Uganda can furnish 4 companies and operations will be
carried on in both Protectorates under Colonel Ward.
Total cost estimated at £4,000 part of which probably
will be recovered from disaffected section. Propose
that net cost of operations should be divided between
two Protectorates equally. At the conclusion of
military operations Uganda would take over military
control of all Turkana pending decision of ultimate
policy of administration. Inspector General, King's
African Rifles approves military arrangements indicated
above and agrees as to necessity for operations.
Request authority to proceed at once. Cost will be
met as far as possible from savings. Have forwarded
copy of this telegram to Governor Uganda who concurs.
