Operations against Mwarhan

25 Feb.

For reasons explained would prefer to keep
Inapi. part K.A.R. at headquarters, & not send
him to take command at Serenti where
Major Graham carries out his duties with judgment &
discretion.

As the operations appear to be
progressing satisfactorily and if it will take
Col. H. 3 or 4 weeks to reach Serenti, I
naturally think that we might
require in the form of suggestion that
the J. G. remain at Nairobi, and
steering our operations towards Serenti.
Feb. accordingly?

I agree in the present

H. J. R.

circumstances there is no need for him

101. Your telegram of 17th February after con-
sulting with Inspector General King's African Rifles
agree with his expressed opinion that it will be
perhaps unwise to upset situation Serendi by sending
him up to take command. Hoskins satisfied that
Graham carries out his duties with judgment and
discretion and unless you have strong views to the
contrary would prefer to keep Inspector General
King's African Rifles at headquarters (of) to advise
on any situation that may arise.
