W. ~~Reed~~ Fielder.
 The 9th par of our despatch of the 3rd of Feb
 on C.O. 3482 conferred the terms of the draft
 1909 Ordce as to ^{period of lease} ~~lease~~ and dealt in
 all applicants for land to whom occupation
 licences may have been issued between
 the 7th of May 1908 and the earliest
 date after Sir P. Girouard's arrival in the
 pt at which it might be practicable to
 issue a fresh notice re Rules. The point
 as to applicants whose applications had
 been ~~preliminarily~~ registered but who had
 not yet received their licences was never
 taken up to the best of my recollection

Reply by telegraph that the S/B
is disposed to agree with the Gov's view
but that he desires first to know what
number of applications were registered
before the 1st of March in respect of which
occupation licenses had not been granted
by that date, and what is the total
area involved.
