In reading the first application  
the Gov. advised as not to entertain  
Mr Packman's application because  
of his defective hearing.

In reading this letter who seems  
to dispose of the original objection  
the Gov. makes no objection to  
and will help us.

Mr Packman is 34 years of age and  
little prospect of finding employment

Sir,

With reference to your letter No.S.7812 dated 13th June last and further communication informing me that the Secretary of State was not prepared to meet my wishes in regard to appointment in the Government Service, I have the honour to inform you that since returning to South Africa I have invested in a Stolz Electrophone which enables me to hear quite well and to inquire whether my application for employment can now be re-considered.

I may mention that I am now engaged to be married but having spent so many years in the Cape Civil Service there is not much prospect of making any headway outside Government employment.

Kindly reply at an early date.

I have the honour to be

Sir,

Your obedient servant,

sd. J.F.F. Packman.
