PERSONAL ALLOWANCES TO RAILWAY OFFICIALS

States that his previous recommendations regarding Messrs Martelli, Miller and Herne were not quite clear. It was intened that they should be ranked Rs 10 p.m. in three annual increments of Rs 10 p.m. It is thought that this will be approved.

GOVERNMENT HOUSE,

BRITISH EAST AFRICA.

EAST AFRICA PROTECTORATE.

August 31st, 1911.

No.486

Sir,

I have the honour to acknowledge the receipt of your despatch No.433 of the 8th instant approving the grant of personal allowances of Rs.15/- per mensem to Messrs. Martelli, Miller and Werns with effect from the 1st April last.

I regret that my recommendations with regard to the personal allowances were not exactly clear. The Manager asked that, as a recognition of their services, the above mentioned members of the staff might receive a personal allowance of Rs.25/- per mensem and that these allowances should be given in annual increments of Rs.10/- per mensem and spread over a period of three years. Thus this year they would receive Rs.15/- per mensem increase, next year an additional Rs.15/-

per

THE RIGHT HONOURABLE

LEWIS HADGOURT, P.C., M.P.,

SECRETARY OF STATE FOR THE COLONIES,

DOWNING STREET,

LONDON, S.W.

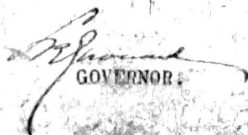

per mensem thus making an increase of Rs. 30/- per mensem to their present salary and finally the year after next they would attain to the full increase of Rs. 45/- per mensem.

3. I do not consider that the Manager in his request is asking anything out of the ordinary and I am satisfied that these officers are deserving of some special recognition especially in view of the fact that they have for some years been on the maximum of their grade. I trust that I have now made myself quite clear on the subject of these personal allowances and that you will be able to recommend them for favourable consideration by the Lords Commissioners of His Majesty's Treasury.

I have the honour to be,

Sir,

Your humble, obedient servant,

  
GOVERNOR.
