It will be seen from our telegram
of the 10th of August on ^{10/8} ~~10/8~~ that the Law
officers considered this point, and that
their view does not agree with that of the
signatories of this telegram.

Ask receipt by despatch, and
request the Govt to inform the signatories
that the matter has ~~been~~ been carefully
considered, and that the S of B sees no
reason for modifying the action which
has been taken.

X We consider that the East Africa Order in Council
1902 quoted in the warrant was not intended to
apply to an instance where a Colonist has been
tried by a Court of Justice and acquitted and con-
sequently we consider that act of issuing warrant
against the Honourable Galbraith Cole under that
order is unconstitutional and establishes a precedent
for jeopardising liberty of all the subjects of
His Majesty in the Colony X Telegram ends.
