I gathered from Mr. Coffin, whom I saw here a day or two after receipt of the msg. went to Capt. that he does not claim leave from Capt funds - but only pay from end of May '15 to June -

as to the passport, we should presumably have had to pay his passport back to India - but there is no reason at all why we should give him more.

more than that - i.e. we must
let him have towards cost

If the Coffin is only paid pay from 1st to 20 June
I can't but think he has grossly overestimated the
amount due to him.
I think he ought to pay him up to the date
on which he would have reached India, had he gone
there instead of coming home, paying him India rate
for the passage itself. W.S. A.P.P.

COL. OFFICE

18th August 1914.

Sir,

I am directed to state for the information of Mr. Secretary Harcourt that Lieutenant A. S. Coffin 28th Punjabis, attached Supply and Transport Corps, has reported his arrival in this country after service with the 3rd Battalion, King's African Rifles in British East Africa, and has been granted 60 days' privilege leave by the Quarter Master General in India.

Lieutenant Coffin has been transferred temporarily for service under the War Office with effect from 12th August 1914.

This Officer states that he sailed from Kisumu, Jubaland, on the 21st June last, by the first boat available after his leave had been sanctioned. He states that he was paid up to the end of May, and received an advance of Rs. 380 towards the cost of passage, which would presumably be at the expense of the Colonial Office,

He

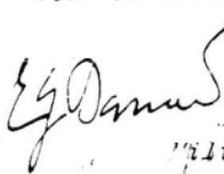

Under Secretary of State,
Colonial Office.

He has since received an advance of £50 on account of pay due from this Office.

I am now to request that you will be so good as to state from what date he is considered a convert to the Indian Establishment with a view to the arrears of pay due to him being settled before he proceeds on active service. It is presumed that a last pay certificate will be sent eventually.

I have the honour to be, Sir,

Your obedient Servant,

General
Military Secretary
