EAST AFRICA PROTECTORATE.

No. 681

December 6th, 1911.

Sir,

I have the honour to report that the German authorities are anxious to know whether this Protectorate has adhered to the Paris Sanitary Convention 1903. As I have received no reply to my despatch No. 34 of February I am at a loss to know how to reply. I should be grateful if I could be informed by telegraph of the date on which our adherence to the Convention took place.

I have the honour to be,

Sir,

Your humble, obedient servant,
