Submit account from Messrs. Middleton  
Hunter & Duff for professional services in  
conn. with Mombasa Water Scheme - £262.10.0

at 2. dds.

This seems a lot for the report in  
C.A. I have no knowledge of the  
communications between Messrs. Middleton  
Hunter & Duff & Sir P. Grouard;  
Mr. Read (who apparently had see C.A.  
is not at hand. 39857)

In the circumstances, I think we  
had better authorize the C.A. to pay. The  
amount should be charged to the loan.

Copy to Pymans, 22, Abchurch Lane, London, E.C. 4

As neither we nor the C.A. are in a position to  
verify whether the work is reasonable, I think we  
had better contact his P.A. on the point. The C.A.

Mombasa Water Supply - Shimba Hills Scheme.

Sir,

account.

I have the honour to enclose a copy of an account submitted by Messrs. Middleton Hunter and Duff for professional services in connection with the proposed scheme to obtain a water supply for Mombasa from the Shimba Hills. The amount charged is 250 guineas and I have to request the Secretary of State's authority to pay it. We have no reason to doubt that the amount is fair and reasonable, but as much of the business was arranged direct with Sir Percy Girouard we are not in a position to advise definitely.

Your obedient Servant,

Under Secretary of State,
