TERMINATION OF APPOINTMENT

Asks that he may be allowed to enjoy his accumulated special leave together with his home leave after arrears have been completed for carrying on the work now performed by the Agency.

I think that we should be making
an authorized precedent if we were
to allow the person to add to his leave
an amount any total leave that he
may have earned but not taken. But
the only person who has the full amount
of leave allowed to be taken has
including other leave (a possible point)

And, in sending out a copy of the

BRITISH PROTECTORATES IN AFRICA
ADMINISTERED BY THE COLONIAL OFFICE
APOLLO STREET, BOMBAY

23rd June 1911.

Sir,

I have the honour to acknowledge the receipt of your letter No. 13806/1911, dated the 2nd June 1911 and note that Mr. Secretary Harcourt kindly sanctions my enjoying, after the arrangements in contemplation have been completed, the full amount of leave due to me under the Regulations.-

2. In my previous letter of the 14th April I begged sanction to my availing then also of the special annual leave to which I am entitled.- Under the Foreign Office Administration it was open to me to take this leave whenever I desired on my notifying my intended absence but during the past nine years I have been able to enjoy it only three times.- Last year I was much in need of it and also recently on account of failing health but in view of the difficulty in replacing me I have remained at my post. Under the circumstances I trust Mr. Secretary Harcourt will be pleased to sanction my enjoying this accumulated special leave together with my home leave, after arrangements have been completed for carrying on the work now performed by this Agency.-

I have the honour to be,

Sir,

Your most obedient humble servant,

Agent General.
