Hi Butler

Act 11: Can I have copy of new leave regns, Apr 1894.

Act 14: I think that you state in your memo of the 5th of May that the Simon haswell in the 35th of Feb 1898 to take up his appointment, & that he accounted for his absence Feb 1898 to 23rd of Feb 1899 but how the passage worked in the absence of the fallen servants &

should appear that the 28th of December 1898
is the correct date. In fact, a clear
information I understand your usual
brother, tells me that he obtained the
date from the JS by telephone, that he
thinks has had instrument there the
source of the error. Anyhow I think
but it is clear that the 28th of Dec 98
is the correct date, and of course the
will as complete to your service of
the return on the 28th had not been
had been due to him. As I indicated
to my assistant & others, to make the
the time it takes to finish, and
the time, George does does it all
then to the other parts, about 10 pages
to finish things & binding in 10 days, Geo,
and all, accordingly, has done a lot
of about 26 weeks by the 11th of March 1912.
He will improve to build & about 100 days later

If Mr. Simon may quite well get

With reference to telephonic conversation with Mr H. S. Wood this morning, respecting the date of first appointment of Mr J. A. Simson, Agent Genl. in India for E. A. Post^o, our records show that he did not receive salary for the period of the voyage out, but commenced to draw (full) salary from the date of arrival at Bombay, viz. the 10th Jan'y, 1899 inclusive.

Sir,

I have the honour to acknowledge the receipt of your letter No. 30239/1911, dated the 21st September 1911 and beg that I may be favoured with a copy of the Regulations to which reference is made in para 2 of your letter No. 22427/1911 of the 10th July last:-

2. In my letter of the 14th April last (para 3) I ventured to express a hope that Mr. Secretary Harcourt would be pleased to allow me to complete 14 years service for pension purposes.- No reference to this request has been made and I would therefore crave the favour of being informed whether I am not entitled to one clear years notice of the suspension of my service which commenced on the 10th January 1899.-

3. I should be greatly obliged if I could be informed what sum my pension would probably amount to approximately, or failing that the period of service on which it would be due.-

I have the honour to be,

Sir,

Your most obedient humble servant,
