Dear Sirs,

East African Estates Ltd.  
Ras Muaka Senge Concession

We enclose you a ~~copy~~ copy of a letter which our clients received from the Secretary of State for the Colonies on the 13th Jan. last.

Under the terms of the Lease dated 20th April 1910 granted to our clients, the rent of £1000 per annum reserved by the Lease commences to be payable as from the 9th October last and the first quarter will be due on the 9th Jan. next.

In view of the restriction which the Secretary of State for the Colonies has been obliged to impose as regards subletting our clients think that it will only be fair that the period of the commencement of the rent of £1000 per annum shall be extended until such time as the Secretary of State is able to again give his consent to the subletting of the lands included in the Lease. The restrictions on subletting is placing considerable difficulty in the way of the development of the estate as rapidly as our clients had hoped, and we shall be much obliged if you will kindly put the matter before your clients and let us hear from you hereon.

We are, Dear Sirs,  
Yours faithfully,  
(Sgd) MARTINIAN & REED
