RECEIVED 30 NOV 1901  
G O  
Re THE CASE OF THE HON. GALBRAITH COLE

TO THE RIGHT HONOURABLE THE PRIME MINISTER.

We, the undersigned Associates and Subscribers to the League of Honour, desire to express our sympathy with, and approval of the action of the Imperial Government in deporting Mr. Cole from East Africa, for killing a native on suspicion of stealing a sheep. We also consider that Lord Gladstone was entirely justified in his action *re* the Umtali case, inasmuch as the existing law in Rhodesia, made by white men, provides death for a native, and no such penalty for a white man guilty of the same crime. This we consider contrary to the spirit of the British Constitution, and to the most elementary precepts of Christianity. Mr. Lewis, we consider, should also have been deported from Rhodesia, as he was admittedly guilty of killing a native.
