Employment as Surveyor

Juste letter from E. Africa Estates Ltd re: offer of employment as Surveyor subject to further details

last previous Paper.

Mr Butler

You will recollect that we told Mr Clark that we had no objection to his accepting employment with the E.A. Estates.

We cannot commit the Govt of the East in the way suggested -

ask receipt & say that

S. J. reports that he could not give assurance that the Govt of the East will

accept his survey of the E. A. Estates Coast ^{without} consulting the Govt.

It appears to be a matter which should be arranged direct with the local Govt either by

himself or by the Co. on his behalf
