Your letter makes immediate Kelendene
plus estimate floors given by Spencer who has
details:

Hi Butler

When I see nothing for it but
to ask Messrs Spencer if they can
lend us two Estimators. But I
don't like it - we shall address
that placing ourselves under an obligation
to Messrs Spencer and in consequence
they will hold up for themselves
a special position with regard to two
from Elevator scheme. — and I doubt

hardly more
an estimate
of them to
Spencer

whether the Treasury will accept the
Estimate of Messrs. Spencer's charges in
any case, but we can put that to
rest and see what they will do

Mr. R. J. J. J.

There is nothing else for it, if we do not
want to ask the Pt. Govt. to begin the
whole weary round over again. We have
put the cost of the pier into our loan
requirements on the strength of Sir P.
Gouard's account of Messrs. Spencer's
estimates, & we must now get those
estimates & see what can be made of them
if we are not going to look foolish in
the eyes of the Treasury
