Re: say that the S. J. B. is not aware of the exact date on which the order was issued, but that it appears to have been about the 5th of Sep. (see ~~29507~~ 29507) that a copy of the order is due to arrive in the country in a few days & that a duplicate will be communicated to them as soon as possible - that with regard to the written request (b), (c), & (d) of their letter, we are expecting further papers from the

The only possible reason for  
asking these questions is that they hope to  
have found a way of subjecting the  
proceedings to a review by a Court in this  
country and I don't see that you can  
order any objection to furnish them with

regards the other requests, that he is  
not in a position to comply with  
them, adding however that the writers appear  
to be under a misapprehension as to  
the procedure followed in the case  
which was doubtless in strict accordance  
with that prescribed by the O. in C. 8-25.

I have just had a visit from a representative of his firm. He says that they have been visited by the family of the Hon. Galbraith Cole in the matter of that gentleman's reputation from the G. A. P.

My caller had various questions to ask as to the reports from the Gov. and as to procedure under the Order in Council of 1902 but I told him that any enquiries that he wished to make must be put into writing and addressed to the U. S. & B. Colonial Office.

The only information which I felt able to give him was that we might safely assume that for the purposes of his case, the Secretary of State

was whom his beam would have to  
beast was the 3 d 3 for the colonies.

The 3 d 3 does not specify  
particular 3 d 3

The Secretary of State for the Colonies,  
Colonial Office,  
Downing Street, S.W.,

Sir,

re The Hon. Galbraith Cole.

With reference to our interview with you, we are instructed by Lord Delamere and other relatives of the family of the Hon. Galbraith Cole in connection with the Order made by the Government on your instructions directing the deportation of the Hon. Galbraith Cole from the West Africa Protectorate.

We called upon you in an endeavour to obtain certain information and material to enable us to advise our Clients the exact position, which we understand cannot be given to us except through the usual channels and by correspondence only.

Meantime, we understand that the period allowed under the Order for Deportation for the Hon. Galbraith Cole to leave the Protectorate expires on the 9th instant, and we should be glad if you would grant our application to extend the time so as to permit us of obtaining what is necessary to inform our Clients the exact position. As directed when we called, we beg to enumerate the following questions, to which we should be glad to have as early a reply as possible:-

- (a) Whether you can supply us with the date of and we can inspect or you can supply us with a copy of the Order of Deportation in question,
- (b) Whether we can inspect or you can supply us with a

court of the Queen's Bench  
(a) Whether we have evidence of you and whether we have a  
copy of any evidence in each case to which you refer upon  
which the Court has acted.

(a) Whether the evidence is sufficient to justify an action in  
whole or part of the evidence on each at the trial  
of The Hon. Sir Smith Cole for murder or culpable homicide  
before the High Court of Justice and

(a) whether we can supply you with a copy of the proceedings on the enquiry that was proposed  
to be held upon the matter in the House of Commons.  
We may add that the matter is of the greatest importance  
to the Hon. Sir Smith Cole and to our Clients, and we must ask you  
to accept this as our reason for troubling you with so much detail.

We are, Sir,

Your obedient Servants,
