Mr Harris

I am not sure that it is correct to deduct from  
the aggregate any amount beyond the salary for a  
complete number of years, but it does not make much  
difference according to Mr. Smallwood's calculation  
East should pay £154. 0/0  
to extend Act. upon East. Uganda

I cannot make out why the Treasury should  
be 7% for the aggregate. I would approve as  
proposed but say that the gross aggregate should have  
been £154. 0/0
