I have been thinking much lately
 about the future of our country
 and the people who live in it.
 I believe that we are in a
 very critical position and
 that we must take action
 soon to save ourselves.
 I think that the only way
 to do this is to unite
 all the good people of the
 country and to work together
 for the common good.
 I believe that we can do this
 if we only have the courage
 to do so.

EAST AFRICA PROTECTORATE.

No. 78

Sir,

With reference to your despatch No. 9 of the 14th of January, I have the honour to inform you that it has not yet been found possible to recon-stitute the Weights and Measures Ordinance to Council in accordance with your instructions.

2. The delay is due to the correspondence which is still being carried on between the Crown Advocates of this Protectorate and of Uganda. I understand that the draft of the amendments approved in Uganda has not yet been received, and I have asked that the matter may be expedited as much as possible.

I have the honour to be,

Sir,

Your humble, obedient servant,

GOVERNOR.

THE RIGHT HONOURABLE
