Staff Estimates - 1912-13

Request permission to make a few minor alterations at third reading of Appropriation Bill. Would like also to bring appendices B, C & D up to date.

~~Mr. Robinson~~

Dear Sir G. Fisher

I beg to refer to the proposal that the alterations are confined to the same limits proposed by the Staff. With the Staff Estimates prepared as before. Moreover, it is practically inevitable that a few alterations should be required.

Yours faithfully,
Mr. Fisher

but I do not think that it is desirable
to alter the figures as presented to the
Finance Commission. I think that
the State of the Probable balances
at the time when the first estimate

was prepared. There is no objection of
course to having these separately revised
statements for the rest of the 575
to put it in my comment but he
should do so.
