PROMOTION RECOMMENDATIONS
 Apply as do (not apply to appointments of not less value than present one in any Colony with preference for Africa

* Having appointments are not to be entered in this column as mentioned in the next page.
 † If the officer holds more than one office, full particulars of each must be given.
 ‡ If several offices are filled, the different rates must be stated.
 § The value of a Colonial appointment depends upon many circumstances besides the rate, and the Secretary of State often has to take into account the value of the office. Applications for promotion should therefore, in their own interests, state as fully as possible what the benefits, either pecuniary or otherwise, of the appointment, or of each of the appointments, are, and what the officer would be willing to give up in order to obtain the appointment, or of each of the appointments, which they think that they may reasonably expect.

Any further information which may be considered necessary should be written on this page and not in separate letters.
