COMMITTEE

November 05

Sir I have the honor to acknowledge the receipt of your despatches Nos 524 of the 30th Sept^r & 546 of the 7th Oct^r on the subject of the vacancies for Inspectors in the Police of the S.A.P. as you indicated in my despatch No 433 of the 18th Oct^r Sept^r. I think it would be desirable to send a report by the new Inspector General on the condition of the force & the general state of the future lines of

30690

offt of the qualifications
of the candidates.

The first has some
more duties to perform
and in considering the
question of qualifications
Mr Donald may probably
think that while men
with ~~more~~ experience will
be most useful in the
most distant.

the conduct of Montreal
& Quebec demand that
the officers should have
experience in these duties
in towns

4. In other instances the
officers selected from
the Royal ~~Army~~
Cavalry ~~Regiment~~ see usually
has found ~~no~~ objection
and I shall be glad to
know whether this has

proved to be the case in the
6. A.P.

5. With regard to the
conditions of app't. I
note that you recommend
that the Insps of Police
shd. be subject to the
Prohibitive leave
regulations. As the
liberal conditions of
leave of absence which
are granted to the superior
staff of the Prohibitive
are ~~not~~ ^{not} sufficient to
satisfy the ~~need~~
of temporary ~~leave~~
resulting their health
in a tropical climate after
a short spell of service, it
is not quite clear to me
why, if an Insp of
Police requires only one
month's leave or below
in respect of each year
of service, an Assistant
Collector shd. be granted
two months or full pay
