We, the undersigned J. Will, Principal Medical Officer, W.J.Radford, Medical Officer, and F.L. Henderson, Medical Officer, have this day examined  
said Francis Webster, and certify that we, on the 31st  
day of January, 1907, at Nairobi East Africa, doth  
soothingly examined Reverend Francis Webster, Assistant  
Collector, Karungu, and that the said F.F. Webster  
is a person of unsound mind and a proper person to  
be taken charge of, and detained under care and  
treatment, and that we have formed this opinion on  
the following grounds:

That he has attempted to commit suicide  
by shooting himself; that his manner has consider-  
ably altered, and that there is still a suicidal  
tendency as shown by his general behaviour. He has  
been despondent for some months, and states that  
he is a failure in life. He is further reticent and  
suspicious.
