Drainage of Harde

1907  
July 17

Interventions Paper.

1907

Consider course recommended by Comtee might be adopted  
if main drainage commenced next year. Agree as to advantage  
of moving when larger & draining new sites for office to  
Suggest for the info that plans will be sent off in about  
a month & that in the mean time work shall be carried on  
with plans attached to report.

(Minutes)

Re Read

Settle all approved, remarking as to  
plans & also send copy of no. 10-6-07  
Billings, in form of no. 10-6-07  
on proposed on 10-6-07. If C.A. is on  
that paper shall be the best of material  
& send copy of complete before 10/7

1907

W. A. Linton

So proceed - & we should  
ask Mr. Weller to see Mr. Williams  
before he goes out to take up the  
part of Comm. of works?

In L. Billings which amount  
as to the app. of Mr. Williams  
to the existing Engineer to  
Harde that we are getting  
from a Billings
