Police

Matter was held over pending H. Churchill's visit. Suggest that whole of report of uniform for European Insps shd be delayed until SPS's instructions on Col Wilson's report are recd.

(Minutes.)

Mr Ellis

This has been delayed until the papers mentioned in the Dep were available. Mr Jackson quietly shelves our inconvenient questions by suggesting that the whole matter referred to in our Deps on 3877/07 and 17426/07 should be hung up, until Mr Galt has received an Dep on Col Wilson's report. (I attach a copy for ref^{ce} as I do not think you have seen it.) None of these points of detail are mentioned in Col Wilson's report - ~~but you~~ no require it all for anything to do with this. Please see paras 5 and 6 of our Dep n:475 on 17426, and para 8 of our Dep n:614 on 3877.

The info which we asked is necessary in order to enable us to settle the conditions of service.
