Reports as to period during which
compensation sh. be paid after consultation w

~~Mr. Pitt Rivers~~ (Minutes.)
Mr. Antrobus

I agree that a period of one
year is too short for the b.A.P.
where as for the masters here
had less than one year in
which to bring their claims
In Zanzibar where claims
for compensation might have
been brought at any time
during the last 10 years &
one year would be sufficient,
but in order to make
the position the same in
both Protectorates it will
be well to make the period
3 years there as well

No. 182. Your telegram of 27th August Cave telegraphs that he considers 1 years notice discontinue payment of compensation too short but as compensation has been paid for eleven years he cannot say that so far as Zanzibar concerned objections to proposed reduction are serious. Here it is quite different. Compensation has not been running 1 year limit proposed was the least considered advisable for the coast after consultation with leading Arabs strongly deprecate any curtailment. I cannot expect all claims to be filed without allowing reasonable time and I am anxious not to jeopardise delicate political measure which has so far been carried out successfully.

Gov. 33139 E.A.P.

15 Sept '08

Sir,

The U.S. of S.
Foreign Office.

With ref. to your letter of the 14th Aug., no. 27005/08, on the subject of the abolition of salary of Zangibar and the E.A. Prot., I am ac. to transmit to you, to be laid before Sec. Sir E. Grey, a copy of a tel. received from the Gov. of the Prot. regarding the period during which compensation should be payable.

Ans 2349/8

H.R.C. II/9

Mr Ellis, 11/9
S. C. ...
M. Seely

11.214/8

in the Leg Council of the E.A.P.

In view of the considerations adduced by Col. Badler, the S. of S. proposes, if Sir E. Grey concurs, to authorize the introduction of the draft Ordinance ~~as~~ which a copy was (enclosed in your letter under reference) in which the period of compensation was fixed at 3 years approximately.

9 Although the main reason for the prolongation of the period in the E.A.P. does not apply to Zangibar, it appears to Lord Curzon that, for the sake of uniformity, it would be desirable to fix the same date for the termination of the compensation period in the Zangibar Decree.

Further Minute

C.P.D.

12

As the system of compensation has already been in force for 10 years in Zangibar, there is not the same reason for further prolonging the period there, and it does not appear to Lord Curzon

P.T.O.

that, so far as the E. A. P. is
concerned, there would be no
objection to the period being
limited to one year in
Zanzibar, if Sir Edward
considers that the
different treatment
the two P. & A. cases are
not in any way connected
there.

(Signed) C. P. LUCAS
