I think not, it did not appear
that there was anything to prevent
his continuing his spot. It would
be desirable if he had been recalled
to the Army since before the
expiration of his leave, or even
perhaps if he had fallen away
at all.

2. Under the circumstances as explained by Lieutenant Jordan, he had no opportunity of proceeding further than the Athi plains.

3. Had he been a Public Officer in the Protectorate Service he could have taken out a P.O. Licence for a fortnight, with all the privileges of a Public Officer's £10 annual licence, and I recommend that the fee be reduced to the latter amount.

From Lieutenant G.L. Jordan, R.E.

To His Honour the Lieutenant Governor.

Sir,

I have the honour to request that His Excellency the Governor may be approached with a view to special consideration of a Sportsman's licence granted me on the 9th instant.

Being an officer of R.E. service stationed in the Transvaal, on four months' leave to the United Kingdom and being desirous of seeing some sport in the S.E.A. Protectorate, I have broken my journey and taken out a licence at Nairobi value Rs.750. I proposed spending six weeks shooting but owing to alteration in plans on account of my companion Major Horshugh A.B.C.'s wife's illness, have been only able to manage a fortnight namely 9th to 23rd instant. As the expense of the licence is a serious consideration to me, I beg to request that under the special circumstances my licence may be put on the Rs.150 scale or other reduced scale as thought fit and the balance refunded to me B/e Messrs. Cox & Company 16 Charing Cross, London. E.W.

I have etc.etc.
