Removal necessary as animals cannot be
seen for scheduled traffic owing to fog. Probably
2000 tons removed & 1000 more expected. Removal
will save 7/8 annual cost & the fog in 3 or 4 years

(Minutes.)

Mr Ellis

I submit draft asking Secretary
to sanction the expenditure of £829
next year. This, with the £2000 pro-
vided this year, will apparently provide

Dry Coal Mole	£ 729
Road + material	1450
Steam Crane Pier	650
	<u>£ 2829</u>

by March 1910.

Still, we may as well put to the
You ultimately, if the £829 is sanctioned, the
question in para. 2 of Secy. letter in

With reference to your letter of the 8th
inst., in which you request to transmit
the results of your work before the U.S. of the
possibility of the vermicore corrod.
of the U.S.P. on the subject
of the vermicore corrod. No. 101.

The vermicore corrod. No. 101 has fur-
ther been examined, and it is hoped that
these results will indicate the propo-
sition of the U.S.P. for 1009-101.

The results will be added in due course
to the report and further explanations as to
the nature and extent of the other accom-
panying work will be provided under
the heading of the vermicore corrod. No. 101.

Very truly yours,
R. L. ANTROBUS
