Letter of Mr. Dobson, Mayor, Zanzibar
 to Post of Magistrate

Your despatch of 17th Nov 2. Evey Registrar ZAP applies for
 Post of Magistrate is required vacant by Donald's appt
 Hamilton recommends I concur - salary £400 vs. £200
 as hitherto. In event of your sanctioning this appt
 state that no Registrar be apptd as soon as possible.

(Remarks.)

Mr. Read
 As Mr. Dobson already receives
 £400 this will be no further burden
 to us he has only held the post
 since April 1904. I'd leave him
 where he is; especially as Mr. Frank
 a leading solicitor of the place
 specifically complained to me of the in-
 -convenience caused by the frequent
 changes in the hands of this
 appt.

Yrs. O'Hara
 had similar
 complaints on
 the same
 O'H

I rather doubt the policy of
 reducing the salary of the Mayor
 - till at Nairobi, which in
 view of the very rough set of white
 bones of them men who have made
 some progress too hot to hold
 into any of these.

requires a man of firm character
Thomas He is considered that he
should be a qualified lawyer (bar or
a student) & it would be well if
he had some experience either in
practice or in a business office

To Mr Harris to see if he can
recommend an officer of the town
who would be a good lawyer & a
man of business

Mr Harris might also at the same
time look for a candidate for the
office of Justice of the Peace
who would be a good lawyer & a
man of business that is to go to a
candidate who has had experience
before with a branch of
the law

We want very good men for
the office of Justice of the Peace
& the office of the Town Clerk
I agree

best path for me to find a
man whom I can rely on for
a man of business for the best interest

Very good man is required. I should
like to put forward with some confidence

Mr. [Name] is recommended as
a man of ability & a good lawyer
I believe the F. O. have snapped him up

The two other men mentioned in those
minutes are probably not strong enough
Mr. [Name] of Barbados shows an acquirement
to recommend for promotion is already
made £400 - Mr. [Name] is not sufficiently
qualified. Mr. [Name] of Cyprus
is an American & I should not like
to recommend him looking to Mr. Ellis's
minutes.

I believe however that Mr. [Name] has one
or two men he might discuss with the
Private Secretaries and with them should
be considered Mr. [Name], Sir D. Stewart
nominee.

If you want a strong man at Norfolk
I should be inclined to move Mr. [Name]
recently appointed (see 1868) of that
office his place. He stands me so rather
strong candidate

Nairobi is a place to which I believe
a man might take his wife, &
Mr Noble is engaged to be married
so he has informed me.

Mr Russell has the most pleasant
manner & is I think probably
the strongest man of the three, but
Mr Noble has been longest on our
lists & I do not suppose that at
Nairobi there will be any feeling
against a Roman Catholic.
