(Sir,

I am directed by the Earl of Cromer to inform you that subject to your being passed as physically fit for service, he proposes to select you for probationary appointment as an Assistant District Commissioner in the East Africa Protectorate, with salary at the rate of £250 a year, and free quarters or an allowance in lieu thereof.

2. A memorandum showing the general conditions attached to appointment in the Protectorate is enclosed herewith, but you are to understand that you will be subject to any regulations which may hereafter be introduced by or with the sanction of the Secretary of State. of State your transfer to another branch of the administration if he sees fit to do so.

5. If you are prepared to accept the appointment on these conditions, you should present yourself to one of the medical advisers of this Department, whose names are given on the enclosed letter, for the purpose of being medically examined. The letter is to be left with him; and you will be required to pay him a fee of one guinea. He will send his report direct to this Department.

6. I am to request that you will state whether you accept this offer, and, if so you should at the same time furnish me with an address to which communications intended for your relatives or friends may be sent during your absence from this country.

I am,

Your obedient Servant,

(sd) H. B. L.

Mr. A. H. White has been pronounced physically unfit for service as an Assistant District Commissioner in the East Africa Protectorate.

Lord Crew

In this vacancy I submit Mr. G. Fuller Maitland. He is nearly 23 and was educated at Wellington and Christ Church (p. in schools). His testimonials and references appear to be good, but they appear to bear out the view of the Oxford Appointments Committee that he is a man of more character than ability. He made a satisfactory impression when called at the Office.

He is an athletic Blue.

The vacancy cannot well be held over until we have looked into the candidates whose names have recently been given by the Cambridge Appointments Board and of whom some at least may be expected to be men of more ability than Mr. Fuller Maitland; but in any case the vacancy and I agree that he would prove a good selection.
